A NOTE FROM OUR TEAM

Dear valued clients,

a few exciting updates

Our aesthetician, Jessie, has decided to pursue a new opportunity and is no longer with Chalekson Plastic Surgery | MedSpa. We sincerely appreciate the care she provided to our patients over the past five years and wish her every success in her future endeavors.

We are actively searching for a highly skilled Medical Esthetician who shares our commitment to personalized care, outstanding results, and an exceptional patient experience. We are excited about the future of our MedSpa.

While we thoughtfully search for the right addition to our team, we invite you to schedule a consultation with **Kelli Van Housen, RN, BSN, Advanced Aesthetic Nurse | Laser Specialist**, to discuss personalized skincare recommendations and treatment options. If you've been considering a surgical procedure, we'd also be happy to schedule a consultation with **Dr. Chalekson** to explore the possibilities.

Thank you for your continued trust in Chalekson Plastic Surgery | MedSpa. We truly value your loyalty and look forward to continuing to care for you for years to come.

Warmly,

The team at Chalekson Plastic Surgery | MedSpa
