

LASER TREATMENT PRE-CARE

- Avoid sun exposure for a period of 2-4 weeks before laser treatments
- No dermal fillers or Botox 2 weeks before and 2 weeks after treatment
- Stop retinol 3 days prior to treatment
- Do not use self-tanner or spray tan 2 weeks prior
- Wear light, loose, comfortable clothing to your laser appointment – you will leave the clinic feeling extreme heat in the treatment areas
- Bring a hat to your appointment
- Reschedule your appointment if you have active sun/wind burn or cold sores

Leave us a review

We work hard to perfect the patient experience at Elevé MedSpa and would love to hear your feedback.
