

HIRE A GLOBETROTTER & SPONSOR A CHILD

Help South Africa ensure a brighter future for its children

WE SUPPORT

SOUTH AFRICAN MAMAS

Ir Olav's Globetrotters has partnered with Kinderfonds MAMAS to sponsor a child for a year for each new Globetrotter successfully placed!

We have joined forces with Kinderfonds MAMAS, a charity that aims to empower and support women in South Africa's poorest communities who want to make a real change in the lives of the children. Kinderfonds MAMAS achieves this by providing education, shelter, food, clothing, safety, medical care, sports, games and above all a lot of love and attention.

In South Africa, the word "Mama" (mother) is considered as a term of respect and endearment. It is the perfect description of these strong women that form part of Kinderfonds MAMAS who cannot just stand by while the children around them suffer in poverty. Unfortunately, resources are limited and the majority of these women are completely reliant on donations and government funding. That's why your help is crucial. Kinderfonds MAMAS aims to empower these women by connecting them with people in the Netherlands who want to help – such as Ir Olav's Globetrotters.

We will be sponsoring one child for a year for each new Globetrotter successfully placed at a client in the Netherlands. This means that the more Globetrotters successfully placed, the more children we will sponsor. We would also like to invite you, to take part in this initiative! Simply put: **once a Globetrotter is taken on as a permanent employee, you have the option to take over the sponsorship of the child from us.**

This way you and Ir Olav's Globetrotters are helping provide a brighter future for South Africa!

HOW IT WORKS

1

GLOBETROTTER IS PLACED AT A CLIENT

Once we have successfully found a Globetrotter for you, he/she will be taken on as an employee of Ir Olav's Globetrotters. He/she will then be seconded to you for the duration of 6-18 months during which time the Globetrotter will move to the Netherlands.

3

GLOBETROTTER IS PERMANENTLY EMPLOYED

Once the seconded period has ended the Globetrotter will enter your permanent employment. You now have the opportunity to make a difference in a child's life and take over the sponsorship from Ir Olav's Globetrotters for a period of your choice.

2

SPONSORS A CHILD

Immediately after hiring your Globetrotter we pay the one year sponsorship fee for a child to Kinderfonds MAMAS.

**YOU CAN SPONSOR
AS MANY CHILDREN,
FOR AS LONG AS
YOU CHOOSE!**

KINDERFONDS MAMAS

Kinderfonds MAMAS supports the MAMAS of South Africa. Powerful, local women who can no longer watch children in their country become the victims of extreme poverty. Children who often have no food at all. No bed to sleep in. No medical care if they are sick. No access to school. No future perspective. Spread across South Africa, Kinderfonds MAMAS supports 56 projects in which local MAMAS join forces and take action. All these projects offer concrete, daily care to children in severe poverty. With education, shelter, food, clothing, safety, medical care, sports, games and above all a lot of love and attention.

"We believe in an approach in which local people, the MAMAS, determine for themselves what structural care is needed in their community. They are one hundred percent owner."

The local MAMAS know better than we do what is needed to help 'their' children. They, therefore, determine for themselves what kind of care and which approach is required. But we do make strict agreements in advance about how the money is spent and rigorously follow up on this and investigate any irregularities. For example, we visit each project at least twice a year and employ a thorough reporting system.
