Griffin House

Broughton Hall

Key project deliverables include:

BD23 3AE

- Compliance with PPN 06 2021 – Updated PPN 06 2021 statement
- Development of an ESOS Action Plan
- Measurement and baselining of scope 1,2, and 3 emissions
- Support in setting appropriate targets, including a net zero target
- Delivery of a carbon reduction/net zero transition plan
- To engage with key stakeholders at Curtins driving toward delivering on their sustainability purpose: *Empowering our employees to challenge decisions and inspire them to take an active role in being part of our business carbon reduction, encouraging a culture of support and learning around the carbon impact of our business operations.*

Our role

Beyondly are working in partnership with Curtins. As a B Corp certified business, we believe we can provide better solutions for a brighter tomorrow and are devoted to reinventing the wheel through our market leading environmental consultancy. We share our knowledge to help businesses become more confident about their environmental choices, to establish a common purpose, as together we have the power to go further than net zero, to go beyond.

Beyondly are proud holders of the Customer Service Excellence Award, and the prestigious Investors in People Platinum. We are BSI Certified ISO 9001, ISO 14001 and ISO 22301 and are a carbon neutral company, committed to achieving net zero emissions through the Race to Zero initiative.
