Cancellation & Termination Fees

Type	Fees
Cancellation charge before the service is live or within your 14-day cooling off period.	If you cancel your order before the service is live or within your 14-day cooling off period, we will charge a cancellation fee. The amount will be determined by any costs incurred by us e.g. installation fee and use of service
Termination during your commitment period (Early termination charge)	<p>If you terminate your service during your commitment period, you will be liable for the remaining months of the term. You will need to give us 30 days' notice, and your normal payment will be due during this notice period. After that, you will be liable to pay £12 for each of the remaining months in your term.</p> <p>For example, if you had three months remaining and were paying £64.99 a month, you would pay £64.99 for the notice period and then £24 for the remaining two months (£12 x 2).</p>
Termination outside of your commitment period	You will not be liable for any termination fees, if you're outside of your commitment period. You will need to give us 30 days' notice, and your normal payment will be due during this notice period.
