

Preparation for your Virtual Consultation

To help give you the best evaluation possible and gather as much relevant history please complete our hair restoration intake form (link to intake for on new site) and email back to hello@grecohairrestoration.com or fax to **941-667-5544** once completed.

Also please provide us with photos of your hair & scalp with the following viewpoints, if possible:

1. Front
2. Left side
3. Right side
4. Back/Posterior Scalp
5. Top/Overhead view of scalp

Please provide these photos with your hair both dry and wet if possible. Viewing the hair wet allows us to project how your hair loss may progress over the next several years without treatment.

Thank you for your interest in our hair restoration clinic. We look forward to working with you.

If you have any questions or concerns, or experience an unexpected reaction, please call us immediately.

We are happy to speak with you any time at **941-952-3300** or visit us at grecohairrestoration.com
