MAUI

Unplugged

MAUI UNPLUGGED is a groundbreaking **live performance series** shining a spotlight on the vibrant spirit of one of Hawaii's most beautiful islands.

Set at the iconic **Four Seasons Resort at Wailea**, **MAUI UNPLUGGED** is a series of breathtaking concerts by **A-list musicians** with the ultimate goal of bringing attention to the island after the **devastating wildfire of 2023**. Each live concert is performed on the resort's stunning **Oceanfront Lawn**, and the proceeds of every show go directly to **rebuilding northwest Maui**.

In the heart of Wailea, just steps away from the ocean, **MAUI UNPLUGGED** will heal through music and entice people to return to this beautiful island through the vibrations, the visuals, and the **Aloha Spirit**.

Why MAUI?

People all over the world desire to go to Hawaii and **unplug**, whether they travel in person to the islands or through the mind's eye, to experience the **beauty** of all its elements.

Whether it's the gentle movement of the trade winds, the floral scents of the plumeria, the healing qualities of its ocean waters, the lush golden sand, the abundance of rainbows, or the sounds of the ukulele, Hawaii instantly calms the mind, body and spirit.

This is the spirit of Aloha.

In August 2023, a **devastating wildfire** swept through northwest Maui, destroying the beautiful old port city of **Lahaina**, the heart of Maui. Maui is still recovering from this tragedy, and is **rebuilding** in many ways - physically, economically, and spiritually.

MAUI UNPLUGGED is more than entertainment. It will feed the soul, and heal an island that has given so much to us all.

MAUI UNPLUGGED will transform.
