

HOLOSUITE PLAYER END USER LICENSE AGREEMENT

ISSUE DATE: JUNE 5, 2023

This End User License Agreement (“**EULA**”) governs your installation of and access to the Arcturus HoloSuite Player (the “**Player**”). This EULA is entered into directly between you and Arcturus Studios US, Inc. (“**Arcturus**”, “**we**”, “**us**”). It describes your rights and obligations in relation to your installation of and access to the Player and any text, information, data, applications or material, such as audio files, video files, electronic documents, or images (“**Content**”) that may be uploaded, stored, created, processed, shared or otherwise made available on the Player.

By accepting this EULA, or by installing or accessing the Player, you confirm your acceptance of this EULA and your agreement to be a party to this binding contract with Arcturus. If you do not agree, you do not have the right to install or access our Player. For the avoidance of doubt, this EULA does not apply to any Arcturus services or software that you register or subscribe for to which the Arcturus General Terms of Use and any Additional Terms apply, nor any professional services for which you may engage Arcturus including custom software development, integration, implementation or other consulting services, which shall be governed by a separate master services agreement.

You agree to this EULA on behalf of the company or other legal entity for which you are acting (for example, as an employee or contractor) or, if there is no company or legal entity, on behalf of yourself as an individual (in either case, “**You**” or “**you**”). You represent and warrant that you have the right and authority (as well as the capacity – for example, you are of sufficient legal age) to act on behalf of and bind such entity (if any) and yourself.

1. USE OF PLAYER

1.1 **License.** Subject to your compliance with this EULA, we grant you a non-exclusive, non-sublicensable, non-transferable license to Install and Access the Player for the sole purpose of enabling third parties to access, view or listen to Content on your website or application. For the purpose of this EULA, “**Install**” means to place an object code version of the Player on a computer either directly, on an internal drive, remote access network drive, or removable drive or to embed the Player on your website or application. “**Access**” means downloading, opening, accessing, using, or otherwise operating the Player.

1.2 **Arcturus Intellectual Property.** The Player is licensed, not sold, to you. We (and our licensors) remain the sole owner of all right, title, and interest, including all intellectual property (“**IP**”) rights, in the Player. “**IP**” includes copyrights, patents, utility models,

trademarks, service marks, registered designs, moral rights, design rights (whether registered or unregistered), technical information, know-how, trade secrets, database rights, semiconductor topography rights, business names and logos, computer data, generic rights, proprietary information rights and all other similar proprietary rights (and all applications and rights to apply for registration or protection of any of the foregoing) as may exist anywhere in the world. Except as stated in this EULA, we do not grant you any IP rights in respect to the items in the Player. We reserve all rights not granted under this EULA.

- 1.3 **Applications.** If you create any scripts, outputs, applications (“**Applications**”) using the Player, you must recognize us as the owner of the Player and insert the text “Powered by HoloSuite” in a prominent location on the Application.
- 1.4 **Activation and Validation.** You may be required to take certain steps to activate the Player. Failure to activate the Player or agree to this EULA, or a determination by us of fraudulent or unauthorized use of the Player, may result in reduced functionality, inoperability of the Player, or a termination of your licence under this EULA.
- 1.5 **Compatibility.** The Player might not be compatible with hardware, software or services provided by third parties. You are responsible for ensuring your information technology system meets any minimum requirements advised by Arcturus and that your Internet connection is suitable for Installing and Accessing the Player. You acknowledge and accept that the performance of the Player may be affected by these factors and Arcturus will not be liable for any resulting issues.
- 1.6 **Updates.** The Player may automatically download and Install updates from Arcturus from time to time. These updates may take the form of bug fixes, new features, or new versions. You agree to receive and accept such updates from Arcturus as part of your Access to the Player. We may modify, update, or discontinue the Player (including any portions or features) at any time, without notice or liability to you or anyone else.
- 1.7 **Feedback.** You have no obligation to provide us with ideas, suggestions, or proposals related to the improvement of the Player, or bug or crash reports of the Player (“**Feedback**”). If you submit Feedback to us, however, then you grant us a non-exclusive, irrevocable, perpetual, worldwide, royalty-free, sublicensable, and transferable license to use, copy, reproduce, translate and disclose that Feedback for the purpose of using, editing, enhancing, altering, arranging, modifying, developing, distributing, adapting, creating derivative works of, offering, making, selling, distributing, importing or exporting the Player or any portion thereof.

2. **THIRD PARTY CONTENT**

- 2.1 **No Responsibility.** The Player is used by third parties to upload, store, create, process, share or otherwise make available Content. Arcturus does not control, endorse or accept responsibility for any Content accessible on the Player (including the accuracy, completeness, appropriateness, or lawfulness of such Content). Access

to or use of any Content is at your sole risk, and Arcturus assumes no liability whatsoever for any claims or losses arising out of or otherwise relating to access to or use of any Content.

- 2.2 **License Rights.** Nothing in this EULA grants you a license for any Content accessible on the Player, and you must obtain any required rights directly from the owner of that Content.
- 2.3 **Restriction of Content.** We do not review Content uploaded, stored, created, processed, shared or otherwise made available on or through the Player. If you come across Content that you find offensive or upsetting, your sole remedy is to stop accessing, viewing or listening to the Content. You are encouraged to notify us of any Content on the Player that you believe to be illegal, unlawful or prohibited by any applicable law. We reserve the right to remove Content or restrict access to the Player at any time in our sole discretion.
- 2.4 **Data on your use of the Player.** When you Install or Access the Player, you grant us the right to the right to retain and use any data related your Installation of or Access to the Player so that we may continue to build and improve machine learning algorithms and artificial intelligence models related to the Player and our software. You agree that you have no right, title or interest in and to any resulting improvements made to Player, nor any algorithms or other machine learning or artificial intelligence models we create (collectively, “**Improvements**”) and that we own all Improvements and may use Improvements as we choose without any restrictions.
- 2.5 **DMCA.** We respect the IP rights of others, and we expect you to do the same. We will respond to clear notices of copyright infringement consistent with the Digital Millennium Copyright Act (“**DMCA**”). Details on how to make a claim of copyright infringement and submit a takedown request are available at <https://arcturus.studio/notice-and-procedure-making-claims-copyright-infringement/>.
