20___/20___ STALLION BREEDING CONTRACT

Service Fee: \$3,300 inc GST I/we, _____ the mare owner, agree to breed the mare
_____ to the stallion "Bigg Redd" AQHA- @-98350 (Stallion) in the 20___/20___ breeding season on the following conditions:

1. The Service Fee stated above includes a non-refundable booking fee of **\$550.00** (inclusive of GST) which shall be payable upon execution of this contract. The balance of the Service Fee being **\$2,750** (inclusive of GST) shall be payable when the Mare is pronounced 45 days in foal. The mare owner agrees to notify the results of pregnancy scans for the Mare regardless of result.
2. The booking fee is valid for the Breeding Season only, unless a rebreed is required, in which case, it must be used the year immediately following the Breeding Season.
3. The semen will not be shipped and/or the mare will not be bred until completed contract, copy AQHA / ASHS registration papers & booking fee is paid.
4. All fees associated to the breeding of the Mare are payable to WPO.
5. The Stallion will be standing at 'Mianga', Coolah or Willinga Park, Bawley Point for live covers.
6. Chilled semen collections will take place at Carmyle Vet Centre, or a vet in the transport area. A transport fee of \$110 plus the collection fee will apply per collection.
7. When standing at Willinga Park, a Chilled Semen Collection fee of \$475.80 Excluding GST will apply.
8. All costs associated with the freight of chilled or frozen semen will be charged to the client including the return of the semen box and semen shippers.
9. The contract contains a "Live Foal Guarantee". A live foal is described as a newborn foal which stands and nurses without assistance. If the foal is born dead or does not stand and nurse without assistance, the mare owner is entitled to a rebreed in the following breeding season. In this case, the mare owner must provide notice to WPO within seven (7) days of the birth of the foal, accompanied by a statement from a Licensed Veterinarian which confirms the status of the foal.
10. If the Mare miscarries, proves barren after being pregnancy checked in-foal or fails to conceive during the Breeding Season, WPO agrees to breed the Mare again during the following breeding season. A substitute mare may be sent if, at the discretion of WPO, the Mare is deemed unfit for breeding.
11. The mare owner agrees to maintain the Mare in good condition during the term of her pregnancy.
12. ASHS/ AQHA breeding certificates will be issued on request provided that WPO has received all payments in full.
13. Any AQHA breeding return must be requested by the mare owner by March of the Breeding Season. If an AQHA breeding return is requested after March in the Breeding Season, the mare owner will be responsible for the expense.
14. If the Stallion dies or becomes unfit for service for any reason prior to covering the Mare, this contract will terminate, and any expenses incurred by the mare owner such as veterinary fees etc. shall be paid by the Mare owner. If the Mare dies, then this contract will be terminated.
15. In the event that the Mare does not go into foal after a live cover, the mare owner will be contacted with the option to use a Licensed Veterinarian. The mare owner will be responsible for all veterinary fees and charges for breeding, agistment etc. associated with that procedure.
16. The mare owner agrees that the Service Fee does not include any veterinary costs incurred in achieving a pregnancy including but not limited to collection, insemination, scanning, treatment drugs, worming, treatment, preventive measures, examination, embryo transfer etc. as necessary, mare-handling fees, agistment of the Mare, semen transport, and any other related expenses, which amounts are to the account of the mare owner. The mare owner must make all necessary arrangements with Troy Palmer and bear all costs for the care and agistment of the Mare while the Mare is at "Mianga".
17. If more than one foal results from any one embryo flush, the mare owner will be liable for an additional fee of **\$3,300** (inclusive of GST) for each successful pregnancy, which amount is due and payable when the mare is 45 days in foal.
18. Every effort will be made to ensure that the chilled semen arrives in the best possible condition and at the agreed time as stated by the freight company. However, we are powerless if the freight company loses the semen or fails to deliver to the agreed place. We accept no responsibility for such loses & reserve the right to charge repeat collection fees & freight fees if required. Negotiations between the mare owners & the freight company will not be our responsibility in such cases

Signed for and on behalf of the mare owner.
