THEAULT

Founded in 1924, THEAULT has nearly a century of expertise in converting vehicles for horse transport, earning a global reputation for innovation and quality. Renowned for its focus on horse comfort, THEAULT revolutionised the industry in the 1960s with the introduction of the rear-facing model and side ramp design. Today, this legacy of innovation continues with the cutting-edge Proteo Switch, now available in Australia.

The Proteo Switch 3-Horse Van is designed with flexibility to adapt to any horse's needs, ensuring unparalleled comfort and safety during transport. Whether travelling to competitions or leisure events, this van provides a smooth and stress-free experience for both horse and owner.

During Dressage by the Sea, we will be showcasing one of our Proteo Switch 3-Horse Vans as a demonstration—don't miss the chance to see it in action!

StableComfort

StableComfort is a patented, multi-celled mattress system that revolutionises traditional stall flooring. Designed to provide the equivalent of at least 15cm of bedding, it ensures superior shock absorption and support—without the need for a concrete base. The system is installed wall to wall, overlaid with a single, waterproof rubber top cover, and securely fastened to the stable walls, eliminating gaps and cracks for optimal hygiene and durability.

StableComfort – Saving Time, Money, and Your Horse's Health.

EXCLUSIVE TRADE SHOW OFFER

Register at our trade booth and pay a deposit before June 30, 2025, to receive 10% off RRP.

Why Choose StableComfort?

- Unmatched Comfort & Health Benefits – Reduces dust, ammonia, and swelling, promoting better joint health and deep rest for your horse.
- Saves Time & Money – Cuts bedding costs and requires only 3-5 minutes for stall cleaning, reducing labor and waste disposal expenses.
- Eco-Friendly & Durable – Made from recycled tires, built to last, and imported from Canada.
- Easy Installation – No concrete required. Can be installed over a crushed rock base, making it a flexible solution for any stable.
