Next Steps - your wedding panning journey

Intimate Weddings – 30 guests & under

Simply get in touch with us to chat through your plans. No site inspection is required.
We then provide a formal quote based on your preferred dates, guest numbers and Food and Beverage option arrangements.

Larger Weddings – over 30 guests

The first step is a site inspection, so you can view the lodge and it's setup for larger wedding logistics, marquee etc - here's where we'll explore the Lodge and discuss your plans. We'll then introduce you to your wedding planner, who manages the wedding celebration and external suppliers.

Mount French Lodge will then provide a formal quote for the compulsory accommodation, venue hire, wedding planning services and any catering for in-house guests outside of the wedding celebration.

Your planner will manage the marquee, celebration catering and other suppliers, with supplier arrangements and payments made directly between you and the relevant suppliers.
