

RADIO
RADIO

Radio Radio grew to be an iconic nightclub in
Amsterdam – despite it's size.

At night, programming leading underground artists together with
the new generation of musical talents. While, by day, broadcasting
weekly from the in-house online radio station (RRFM).

Community driven in its core.

ABOUT RADIO RADIO

The intimate dance floor, great sound system & light installation – easily creates a warm atmosphere for all occasions. Highly customisable to your event's needs.

KADIO**

A photograph of a bar interior. A wooden shelf is filled with vinyl records. Below the shelf, two lit candles in glass holders are placed on a dark surface. To the right, a bar counter holds several bottles of drinks, including one labeled 'SALM' and another 'LIMONCELLO'. A green plant hangs from the top right. The text 'THE MUSIC BAR' is centered in white.
