

Level 7 Accountancy and Taxation Professional.

Our apprenticeship programmes are designed to equip you with the knowledge to become technically qualified by passing professional exams, as well as developing complementary skills and behaviours to succeed in your career. You will complete exams towards your full CIMA qualification. 33- and 27-month pathways are available if you are part-way through your qualification or have exemptions.

To apply for this programme you must be employed in a relevant role. We advise that applicants who do not already hold a lower level accountancy or tax qualification, a degree, or have related work experience should complete the Level 3 or 4 apprenticeship before progressing onto Level 7*.
