

Level 4 Professional Accounting/Tax Technician

Our apprenticeship programmes are designed to equip you with the knowledge to become technically qualified by passing professional exams, as well as developing complementary skills and behaviours to succeed in your career. At the end of the apprenticeship you will be able to apply to become an ATT Tax Technician.

To apply for this programme you must be employed in a relevant role, entry requirements are set by individual employers but typically would include five GCSEs.

ATT – 20-month example programme**

Support and commitment

🗨️ Coaching

Three monthly review calls, including target setting and recorded minutes, with a professionally qualified Accountancy and Tax Coach.

🖥️ BPP Momentum

Prepares you for your exams through a series of individual Achievement Ladder steps to measure performance, test knowledge and focus on personal areas of improvement.

☰ Skills and Behaviours (S&B)

Reflective statements to complete that allow you to demonstrate your skills and behaviours development and help you prepare for the End Point Assessment.

✍️ Personal Competency Reflection (PCR)

Regularly evaluate your competency using a set of behavioural indicators and descriptions.
