

MSc Management with Hospitality Management.*

Postgraduate Degree

Duration

12 months (full-time)

18 months (full-time with Professional Development Planning (PDP))

Qualification

Master of Science in Management with Hospitality Management awarded by BPP University; or

Master of Science in Management with Hospitality Management and Professional Development Planning awarded by BPP University

Entry requirements

- A minimum of a 2:2 honours degree from a UK or recognised international university; or
- An equivalent professional qualification

If you do not meet these requirements but have other qualifications or work experience, get in touch so we can review your options.

Delivery

Face-to-face with online materials

Start dates

Flexible with rolling admissions. Due to the high demand, we recommend students submit their applications sooner rather than later.

Who is this for?

The MSc Management with Hospitality Management is designed to develop managers of the future who bring data and insight to their profession as well as the professional skills and attributes required of a hospitality professional.

Why choose this programme?

The hospitality sector is rapidly evolving, driven by changing consumer preferences and technological advancements. This programme equips you with the skills to navigate these changes effectively.

Graduates can pursue various roles in the hospitality industry, making it a versatile choice for your career.

You'll learn essential management skills such as leadership and customer experience, which are highly valued across industries.

What will you learn?

- Throughout this course, you will delve into key areas such as hotel operations, food and beverage management, tourism and travel dynamics, event planning, and strategic marketing
- You will explore contemporary issues and develop critical thinking and problem-solving abilities
- You will learn how to analyse complex industry challenges, formulating innovative solutions, and applying professional skills in leadership, financial management, and human resources
- You will learn how to design and manage hospitality operations that are not only efficient and effective but also sustainable and socially responsible
- You will gain hands-on experience in market analysis, operational design, and strategic management, all while learning to integrate sustainability into every aspect of business operations
- This holistic approach ensures you are well-prepared to excel in the vibrant and ever-changing world of hospitality and tourism management

Why choose the 18-month PDP option?

Take a structured approach to your professional development, with the knowledge, skills and behaviours you need to succeed in finding jobs and Graduate visa opportunities. During your Professional Development Planning, you'll undertake projects, voluntary work, placements, or an internship.*

In addition to your academic study, you can benefit from:

- 1-2-1 coaching
- Self-serve skills content for independent study
- Access to LinkedIn Learning courses
- Speaker events from professionals in industry

*Subject to validation.

Locations

London East (Portoken) or Manchester

Assessment

A variety of assessments including coursework and presentations

Contact hours

Full-time students will typically receive 10 contact hours per week and will need to devote at least 28 hours a week to study.

How do you apply?

We recommend you apply for your chosen intake as early as possible.

For application instructions, please contact our Admissions team for further information.

How are you supported?

- Learn from expert tutors with practical experience in their specialist fields and a passion to share knowledge to maximise your career potential, with opportunities to meet in class and interact in online discussion forums
- Support will be available from our Engagement team who will reach out before you arrive and will be on hand during your first term to help you settle in. As you progress, our Programme Support team is also available to answer all your queries
- Benefit from BPP's learning environment, The Hub, which provides 24/7 access to all your learning materials and resources including recorded lectures, workbooks, practice questions and online quizzes
- Support from our dedicated Careers team during and after your course to help you plan for your future career success

How is your programme structured?

The programme is structured into three terms per academic year. Attendance at all scheduled teaching sessions is mandatory and for international students, regulated by the requirements of the terms of your study visa under the Student Route.
