Flexible learning **to suit your talent.**

Our CPD training is built for your business and designed for learner flexibility – with accessible and engaging content to maximise success and ensure immediate impact.

Study face-to-face

Perfect for learners who prefer the structure and discipline of a physical classroom setting; choose the face-to-face study option.

Online Classroom Live

Flexible and convenient, our premium online study mode offers a virtual classroom with interactive features that replicate a real-life classroom to keep learners fully engaged.

In-house training

We can deliver expert training either at your premises or in a BPP location, at a time that suits you.

Delivered by *industry* *leading experts.*

Jo Lee
Head of Leadership, Management and
Personal Effectiveness Programmes

Jo has extensive professional experience across industries, from financial services, public sector, aerospace and retail, and has designed impactful learning solutions to organisations globally. Whether she's working with executive boards, sales teams, HR directors or emerging managers, Jo ensures maximum relevance and effectiveness at all levels.

Ian Lucas
Head of Personal Development

Ian uses his extensive professional experience to shape the delivery of training programmes at BPP, using real-world anecdotes. He has worked as an NVQ assessor, coaching managers to achieve their goals and NVQ targets, and served as national training manager for a major UK retailer where he developed and implemented organisation-wide training plans, including management development and induction.

Katie Botten
Associate Facilitator

Katie has over 30 years' experience in supporting leaders at all levels. Her extensive experience across HR, organisational development and change management comes from her work with complex global and European organisations across sectors ranging from insurance, retail, and investment banking.

Martin Solway
Facilitator

With over 19 years' experience in the sector and experience of working across the globe, Martin's deep technical knowledge and skills enable him to support learners in bringing their learning to life, through real-world practical examples.

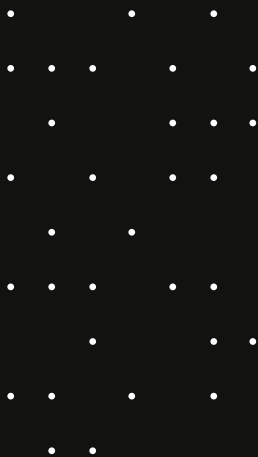

Dominic Fennell
Senior Facilitator

Dominic has over 17 years' experience in the education sector, having established himself delivering management and digital apprenticeships. At BPP, Dominic plays a pivotal role in delivering self-development modules within the BSc Accounting and Finance, and the MSc Management apprenticeships.

Andrew McPherson
Facilitator

Andrew has worked with CEOs, senior managers and team leaders across industries, serving as a managing director, consultant, and trusted adviser. He is a dynamic facilitator specialising in interactive leadership and management workshops, a fellow of the Institute of Enterprise and Entrepreneurs (IOEE) and a member of the Chartered Management Institute (CMI).
