Professional Skills Course (PSC).

For LPC trainees.

Build skills, stay ahead.

Legal training for a future-proof workforce.

Ensure your teams develop the commercial skills needed by future lawyers in practice with the Professional Skills Course from BPP. Choose from a full suite of electives that focus on the specialist skills and knowledge needed for a successful transition into real-life legal practice. From finance and client management to business strategy, leadership and LegalTech, this training develops future-facing capabilities that can help plug skills gaps and future-proof your organisation.

Who is it for?

The PSC is the final stage of compulsory training to become a solicitor. It is mandatory for trainee solicitors and is undertaken during the Period of Recognised Training (also known as a training contract).

Study that offers freedom and flexibility

Trainees studying our Professional Skills Course must complete three core modules and a further 24 hours of electives. Learners can study in the way that is most convenient for them and most effective for your business.

Fast track

Learners study the core modules in eight days and elective modules in four days, completing the training over a shortened time frame.

Module-by-module

Learners study the core modules and electives at any time throughout their two-year training contract, whenever it is convenient for them.

Modern study for modern professionals.

BPP training is built for your business and designed to fit around learners' lives.

We focus on making our programmes accessible and engaging to maximise every learner's chance of success and ensure our training delivers the impact your business wants.

Face-to-face

Ideal for learners who prefer the structure and discipline of a physical classroom setting, BPP's face-to-face study option offers:

- State-of-the-art facilities with teaching delivered in a modern classroom
- A blend of traditional teaching with digital platforms
- Group exercises which allow learners to develop team working and critical thinking skills

Our core modules are available face-to-face in London.

Online Classroom Live

Our premium online study mode offers a virtual classroom with:

- Ability to study from home or the office for maximum flexibility
- Interactive features that replicate a real-life classroom to keep learners fully engaged
- Smaller group breakout rooms where learners can work together

In-house training

We can deliver expert training either at your premises or in a BPP centre, at a time that suits you.

Core modules.
