## LEADERSHIP

We are inventors, builders, and doers.

## Aicha Evans

### Chief Executive Officer

Aicha Evans joined Zook as the Chief Executive Officer (CEO) in February 2019. Prior to Zook, Evans served as Senior Vice President and Chief Strategy Officer at Intel Corporation, driving the company's transformation from a PC-centric to a data-centric company. Previously, she ran the company's wireless efforts and oversaw a global team of 7,000 engineers. Evans is a member of the Supervisory Board of SAP and holds a Bachelor's degree in Computer Engineering from The George Washington University.

## Jesse Levinson

### Co-Founder & Chief Technology Officer

Jesse Levinson co-founded Zook in 2014 and is the company's Chief Technology Officer (CTO). He graduated summa cum laude from Princeton University and completed his Computer Science Ph.D. and Postdoc under Sebastian Thrun at Stanford University, where he developed algorithms for the \$1M-winning entry in the 2007 DARPA Urban Challenge and went on to lead the self-driving car team for five years. Levinson also co-created Pro HDR, the first HDR app for smartphones, which has been purchased by more than a million people since 2009.
