2. ORDER TRACKING

After your order has been shipped, you'll receive a confirmation email containing a tracking number and a link to monitor the package's progress. Please note that our logistics partner operates Monday to Friday during standard business hours and typically requires a signature upon delivery. In the event of a lost or damaged item, please promptly inform our [Concierge team](#).

3. DELIVERY LOCATIONS

We offer international shipping. Orders shipped outside of the European Economic Area, with the exception of Switzerland and UK, are subject to Delivery Duty Unpaid (DDU) terms. This implies that additional local import fees, customs duties, or any other fees related to special shipping conditions may be applicable. All customs duties and importation fees are the sole responsibility of the customer and may be payable upon delivery. For more information, please reach out to our customer service team for assistance with such inquiries.

4. RETURN POLICY

The Customer has the right to withdraw from the contract within 14 days without providing any reason.

The withdrawal period of 14 days begins on one of the following dates:

- a) The date on which the Customer acquires, or a third party other than the carrier and indicated by the Customer acquires, physical possession of the products.
- b) For contracts involving multiple products ordered together but delivered separately: the date on which the customer, or a third party designated by the customer other than the carrier, takes physical possession of the final product
- c) For contracts involving the delivery of a product in multiple shipments or parts: the date on which the customer, or a third party designated by the customer other than the carrier, takes physical possession of the last shipment or part.
- d) For contracts involving regular delivery of products over a defined period: the date on which the customer, or a third party designated by the customer other than the carrier, takes physical possession of the first product

To enact the right to withdraw, the Customer needs to notify SOMD clearly of their decision to cancel the contract. This can be achieved by, for instance, sending an email to our [Concierge team](#). While a model withdrawal form is provided in Annex 1 of the Terms and Conditions, it's not mandatory to use it for notification of withdrawal.

- To meet the withdrawal deadline, it is sufficient for the Customer to send his/her communication concerning his/her exercise of the right of withdrawal before the expiry of the withdrawal period.
- In the event of the Customer withdrawing from the contract, SOMD commits to promptly refunding all payments received from the Customer, except for delivery costs, within 14 days of receiving the returned items. Reimbursement will be conducted via the same payment method utilized in the initial transaction, unless an alternative arrangement has been explicitly agreed upon with the Customer. Under no circumstances will the Customer incur any fees due to this reimbursement.
- SOMD retains the right to withhold reimbursement until the products have been returned or until the Customer provides evidence of having dispatched the products, whichever occurs first.
