

July 15, 2025

To our highly valued patients:

This letter is to inform you that we have begun the process of reducing our operations in Portland and will be closing the 17885 NE Evergreen Pkwy facility on August 31. We have appreciated serving the Portland community for many years, and value the trust you have instilled in us.

Dr. Barnes and the team will see you for follow-up appointments and address any post-surgical needs you have through August 31. Should you have issues beyond August 31, we encourage you to contact us via email at portland.questions@athenixbody.com or call 971-246-5480 so that we can address your needs, whether it be with nearby Athenix centers or other providers locally. We can provide referrals to other providers upon request. We value the trust you have instilled in us, and we want what is best for you. You have the right to choose your healthcare providers, and we remain committed to fully supporting your decision and your continued care.

Your medical records will continue to be maintained by Athenix. Should you ever wish to obtain a copy, as is your right, please let us know and we are happy to facilitate that for you. You may send any records requests to portland.questions@athenixbody.com.

Thank you for the opportunity to serve you. We wish you all the best.

Sincerely,

Dr. Barnes and the Athenix-Portland team
