

MARINA

PLASTIC SURGERY

To our highly-valued patients:

This letter is to inform you that we have begun the process of reducing our operations in our Marina del Rey location and transferring our operations to our Pasadena facility effective September 15th. We have appreciated serving the Marina del Rey community for more than 40 years, and value the trust you have instilled in us. We hope to continue to serve you in our Pasadena facility at 150 E. Colorado Blvd, Suite 102.

We are also excited to announce that we will be expanding to a new location at 11645 Wilshire Blvd, Suite 987, scheduled to open in late 2025. The new facility will be right in the heart of Los Angeles and conveniently located just off the 405. The new location will enhance our ability to serve you with increased services and a more comfortable environment.

Dr. Perez, Dr. Obi, and the team will see you for follow-up appointments and address any post-surgical needs you have in the Pasadena facility going forward. If you require a visit closer to Marina del Rey, please let us know and we can work with you to find a solution.

As always, please do not hesitate to contact us via phone at 626.584.5898 or via email at care@marinaplasticsurgery.com so that we can address your needs. Your medical records will continue to be maintained by the practice but will now be located at the Pasadena office. Should you ever wish to obtain a copy, as is your right, please let us know and we are happy to facilitate that for you. You may send any records requests to records@marinaplasticsurgery.com.

We appreciate the opportunity to serve you and hope you share in our excitement as we expand our capabilities with the new facility.

Sincerely,

Dr. Justin Perez
