6 COMPANY'S RIGHTS NOT WAIVED

The Company's right to terminate or vary the terms of employment or engagement of any Participant shall not be prejudiced in any way by the Company or any Participant participating in the Plan or anything contained in these Rules or both. Further, participation in the Plan and the rights or benefits of a Participant under these Rules or the inability or restricted ability of a Participant to exercise an Option or any of them, shall not be used as grounds for granting or increasing damages in any action brought by any Participant against the Company whether in respect of any alleged wrongful dismissal or otherwise.

7 SUSPENSION OR TERMINATION OF THE PLAN

The Board may suspend or terminate the Plan at any time, in which case the Company shall not make any further grants of Options under the Plan during the suspended or terminated period. 8.2 Procedures

Subject to these Rules, the Board may make such regulations and establish such procedures for the administration and management of the Plan as it considers appropriate. If any disagreement or dispute with respect to the interpretation of these Rules or the terms of grant of any Option arises, such disagreement or dispute shall be referred to the Board and the decision of the Board shall, in the absence of manifest error, be final and binding upon all parties.

8.3 Covenant or Exercise of Discretion

9.2 Non-Australian Residents

When an Option is granted under the Plan to a person who is not a resident of Australia, the provisions of the Plan apply subject to such alterations or additions as the Board determines having regard to any applicable or relevant laws, matters of convenience and desirability and similar factors which may have application to the Participant or to any Associated Body Corporate in relation to the Option.

- (c) before its Expiry Date; and

8 FUTURE ISSUES OF SECURITIES

8.1 New Issues

There are no participating rights or entitlements inherent in the Options and Participants will not be entitled to participate in new issues of capital offered to shareholders during the currency of the Options. However, the Company will ensure that the record date for determining entitlements to any such issue will be at least 5 Business Days after the issue is announced so as to afford Participants the opportunity to exercise all Options which they are entitled to exercise pursuant to these Rules prior to the date for determining entitlements to participate in any such issue.

8.2 Rights Issues

In the event the Company is listed on the ASX and offers a pro rata issue of securities to holders of Shares, the Exercise Price in respect of any unexercised Options may be adjusted in accordance with the adjustment formula for pro rata issues set out in the Listing Rules at the time when the Options were granted under this Plan. If the Company is not listed on the ASX at the time of the pro rata issue, the Exercise Price will be adjusted in such manner determined as fair by the Board in its absolute discretion.

8.3 Bonus Issues

In the event the Company makes a bonus issue of securities to holders of Shares, the rights of a Participant in respect of an unexercised Option will be modified such that the Participant will receive, upon exercise of an Option, one Share plus such additional securities which the Participant would have received had the Participant been entitled to participate in the bonus issue by virtue of its holding of an Option.

9 RECONSTRUCTION OF CAPITAL

In the event of any reconstruction (including a consolidation, subdivision, reduction or return) of the issued capital of the Company prior to the expiry of any Options, the number of Options to which each Participant is entitled or the exercise price of his or her Options or both or any other terms will be reconstructed in a manner determined by the Board which complies with the provisions of the Listing Rules.

10 NATURE OF RIGHTS

A Participant does not have a legal or beneficial interest in any Shares by virtue of acquiring or holding an Option. A Participant's rights under the Options are purely contractual and personal. In particular, a Participant is not entitled to participate in or receive any dividend or other shareholder benefits until its Options have vested and been exercised and Shares have been allocated to the Participant as a result of the exercise of those Options.

11 ASSIGNMENT OF OPTIONS DURING TAKEOVER PERIOD

Subject to **clause 6.1** of this Schedule, a Participant may not assign or transfer an Option except during a Takeover Period, in which case the Options may only be transferred by the Participant to the bidder or its nominees in accordance with the Corporations Act.

12 RISK OF FORFEITURE

A Share issued to a Participant on the exercise of an Option is issued to a Participant on the terms that it will be forfeited upon the Participant perpetrating fraud as against the Company

or an Associated Body Corporate, acting dishonestly or committing a breach of the Participant's obligations to Company or an Associated Body Corporate.

12.1 When risk of forfeiture ceases

The right of the Company to cause a Share held by a Participant to be forfeited extinguishes:

- a) upon the termination of employment of the Participant other than for fraud, dishonesty or a breach of the Participant's obligations to Company or an Associated Body Corporate;
- b) upon the sale or transfer of the Share by the Participant to a third party;
- c) on the day after a period of 7 years from the date of grant of the Option upon the exercise of which the Share was granted.

12.2 Company to notify and record forfeiture

When a Share is forfeited, the Company must:

- a) notify the Participant that the Share is forfeited; and
- b) record the forfeiture and date of forfeiture in the register of shareholders.

A failure to do this does not invalidate the forfeiture.

12.3 Consequences of forfeiture

The forfeiture of a Share extinguishes:

- a) the Participant's interest in the Share; and
- b) all claims against the Company in respect of the Share, including (without limitation) all dividends presently payable by the Company on the Share.

12.4 Disposal of forfeited Share

Subject to the Listing Rules:

- a) the Participant grants to the Board an irrevocable power of attorney to sell, dispose, transfer or otherwise deal with a forfeited Share on any terms and in any way the Board may decide, with such power able to be exercised by the Board in the event that the Share is liable to be forfeited; and
- b) if the Board sells, disposes, transfers or otherwise deals with a forfeited Share, then the Participant acknowledges and agrees that they are not entitled to any proceeds in respect of such dealing, and the Board and the Company is not under any obligation to act in the interests of the Participant in respect of such dealing and the Company may retain all net proceeds (if any) of any such dealing.

12.5 Waiver by Board

The Board may:

- a) waive any of the rights of the Company under this clause; or
- b) before any sale, disposal, transfer or other dealing of a forfeited Share, declare the forfeiture void on any terms the Board decides.
