Potassium Hydroxide	1310-58-3	pH adjuster	
Alkali Carbonate	Proprietary	Buffer	
Aminocarboxylic acid salt	Proprietary	pH adjuster	
Chelating agent	Proprietary	Metal ion sequestrant	

EPA/Safer Choice recognition does not constitute endorsement of this product. The Safer Choice label signifies that the product's formula, as WD-40 Company has represented it to the EPA, contains ingredients with more positive human health and environmental characteristics than conventional products of the same type. EPA/Safer Choice relies solely on WD-40 Company, its integrity and good faith, for information on the product's composition, ingredients and attributes. EPA/Safer Choice has not independently identified, that is, via chemical analysis, the ingredients in the product formula, nor evaluated any of WD-40 Company non-ingredient claims. EPA/Safer Choice provides its evaluation only as to the product's human health and environmental characteristics, as specified in the Safer Choice Standard and based on currently available information and scientific understanding.
