

WD-40 SPECIALIST® GEL LUBE

PRODUCT DESCRIPTION

WD-40 Specialist Gel Lube forms a robust gel coating that resists water and offers excellent, long-lasting protection against wear and corrosion, preventing rust for up to one year.¹ The coating clings tightly, even to vertical surfaces, to resist drip and fling off. The advanced formula continues to offer effective lubrication even at extreme temperatures (-50°F to 500°F) and under heavy loads. The permanently attached Smart Straw® Sprays 2 Ways® delivery system allows for pinpoint application or a wider spray, giving you different options to fit the job.

Safe to use on most common application surfaces, including most metals and plastics, when used as directed. If unsure, test on a small area first.

¹Independent tests conducted in salt spray and humidity chamber. Results may vary depending on extreme conditions.

APPLICATIONS

- Vertical surfaces
- Moving parts
- Gears, cables, chains
- Rollers and garage doors

FEATURES & BENEFITS

- Unique, thick gel lubricant
- Ideal for vertical surfaces
- 50-state VOC Compliant
- Does not require California Prop 65 Warning

PACKAGING

PHYSICAL & CHEMICAL PROPERTIES

BOILING POINT (INITIAL):	430°F (221°C)	DENSITY:	0.94 g/mL
SOLUBILITY IN WATER:	Insoluble	pH:	Not Applicable
VAPOR PRESSURE:	Not established	VAPOR DENSITY	>1
PERCENT VOLATILE:	>80%	VOC/MIR:	24.5% / 0.18-0.21
COEFFICIENT OF WATER/OIL DISTRIBUTION:	Not established	APPEARANCE/ODOR:	Amber liquid with a mild petroleum odor.
FLASHPOINT:	>69°C (156°F) (CC ASTM D3828)	FLAMMABLE LIMITS:	LEL: 1.9% UEL: 9.5%

DIRECTIONS

Shake can well before each spray. Flip straw up for pinpoint stream or down for wide angle spray. Make sure there is a 4-6 inch distance between actuator tip and the surface to be sprayed. Apply an even coat. For best results, spray when product temperature is above 40°F.

PACKAGING SPECIFICATIONS

DESCRIPTION:	WD-40 Specialist Gel Lube 10oz 6ct
ORDER NUMBER:	300103
CASE# / GTIN#:	1 00 79567 30010 3
ITEM# / UPC#:	0 79567 30010 6

WD-40 SPECIALIST® GEL LUBE

STORAGE

Store in a cool, well-ventilated area, away from incompatible materials. Do not store in direct sunlight or above 120°F. U.F.C (NFPA 30B) Level 3 Aerosol. Store away from oxidizers.

DISPOSAL

If this product becomes a waste, it would be expected to meet the criteria of a RCRA ignitable hazardous waste (D001). However, it is the responsibility of the generator to determine at the time of disposal the proper classification and method of disposal. Dispose in accordance with federal, state, and local regulations. Do not puncture or incinerate containers, even when empty.

SPECIAL USE WARNINGS

DANGER!

Extremely Flammable Aerosol. Pressurized container: may burst if heated.

Prevention

Keep away from heat, hot surfaces, sparks, open flames, and other ignition sources. No smoking.

Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use.

Storage

Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F.

REGULATORY INFORMATION

U.S. Federal Regulations:

CERCLA 103 Reportable Quantity: This product is not subject to CERCLA reporting requirements, however, oil spills are reportable to the National Response Center under the Clean Water Act and many states have more stringent release reporting requirements. Report spills required under federal, state and local regulations.

SARA TITLE III:

Hazard Category For Section 311/312: Refer to Section 2 for the OSHA Hazard Classification.

Section 313 Toxic Chemicals: This product contains the following chemicals subject to SARA Title III Section 313 Reporting requirements: None

Section 302 Extremely Hazardous Substances (TPQ): None

EPA Toxic Substances Control Act (TSCA) Status: All of the components of this product are listed on the TSCA inventory.

VOC Regulations: This product complies with the consumer product VOC limits of CARB, the US EPA and states adopting the OTC VOC rules.

California Safe Drinking Water and Toxic Enforcement Act (Proposition 65): This product does not require a California Proposition 65 warning.

Canadian Environmental Protection Act: All of the ingredients are listed on the Canadian Domestic Substances List.
