

WD-40 SPECIALIST® CLEANER & DEGREASER

PRODUCT DESCRIPTION

WD-40 Specialist Cleaner & Degreaser is a water-based, non-flammable, non-aerosol cleaner & degreaser with a unique bio-solvent formula engineered to be powerful yet safe for most surfaces. It quickly breaks through tough grease & grime and has added corrosion inhibitors to help protect against flash rust. The industrial-strength formula is ready to use - no dilution required.

Meets U.S. EPA Safer Choice Standards.¹

Safe to use on most common application surfaces, including most metals, plastics, rubbers, carbon fiber and neoprene when used as directed. If unsure, test on a small area first.

¹EPA certification does not constitute endorsement of this product. The Safer Choice label or Design for the Environment logo signifies that the product's formula, as WD-40 Company has represented it to the EPA, contains ingredients that meet stringent EPA criteria for effects on human health and the environment. EPA relies solely on WD-40 Company, its integrity and good faith, for information on the product's composition, ingredients, and attributes. EPA has not independently identified, that is, via chemical analysis, the ingredients in the product formula, nor evaluated any of WD-40 Company's non-ingredient claims. EPA provides its evaluation only as to the product's human health and environmental characteristics, as specified in the Safer Choice and Design for the Environment Standard and based on currently available information and scientific understanding. APPLICATIONS

- Greasy automotive parts, tools and shop floors
- Industrial machinery
- Commercial appliances and equipment
- Food-processing facilities

FEATURES & BENEFITS

- Industrial strength
- Safe on multiple surfaces
- NSF Nonfood Compounds Program Listed A1, A2, A4, A8 #153187
- Meets U.S. EPA Safer Choice Standards
- 50-state VOC Compliant
- Does not require California Prop 65 Warning

PACKAGING

PHYSICAL & CHEMICAL PROPERTIES

BOILING POINT (INITIAL):	Not determined	DENSITY:	~1.0 g/mL
SOLUBILITY IN WATER:	100% in water	pH:	9.5-11.5
VAPOR PRESSURE:	Same as water	VAPOR DENSITY	Same as water
AUTOIGNITION TEMP	None	VOC:	0%
FLASHPOINT:	None	APPEARANCE/ODOR:	Clear colorless liquid. Pleasant odor.
		FLAMMABLE LIMITS:	None.

DIRECTIONS

Ready to use. No dilution needed. Spray or apply to surface with mop or brush. Allow to set for a few minutes and rinse with water. Repeat if necessary.
