

AgriZero^{NZ} Scorecard

Q2 FY24

31 December 2023

WHO WE ARE

A public-private partnership between major New Zealand agribusinesses and Government

WHY WE EXIST

To ensure all farmers have equitable access to solutions to reduce their emissions, supporting a 30% reduction by 2030 and 'near zero' by 2040

HOW WE'RE DOING IT

Accelerating development of tools and technology through targeted investments
