

Dr. Edward Buckingham

Buckingham Center for
Facial Plastic Surgery

Dr. Buckingham is a renowned facial plastic surgeon and the Director of the Buckingham Center for Facial Plastic Surgery in Austin. With over two decades of experience in aesthetic and reconstructive procedures, his practice represents the pinnacle of elite facial rejuvenation. He holds the distinction of being double board certified by the American Board of Facial Plastic and Reconstructive Surgery and the American Board of Otolaryngology.

Dr. Buckingham's commitment to excellence is paramount; he performs surgery in the Buckingham Center's Quad A certified surgical center, ensuring his patients receive care in an accredited, state-of-the-art facility adhering to the highest benchmarks for safety and quality. His leadership roles, including President-elect of the ABFPRS, solidify his status as a national authority. Graduating with top honors from the University of Texas Medical Branch at Galveston, Dr. Buckingham merges surgical artistry with technical skill, offering his patients exceptional, natural-looking results that redefine standards in facial aesthetics.
