

Cookie Notice

Introduction

This Cookie Notice is designed to help you understand how our website uses cookies and similar technologies to enhance your browsing experience. By continuing to use our website, you consent to our use of cookies in accordance with this notice. If you do not agree to our use of cookies, you can configure your browser settings to reject cookies.

What Are Cookies?

Cookies are small text files that are placed on your device when you visit a website. They serve various purposes, including helping the website to function properly, providing a personalized experience, and analysing website traffic.

Types of Cookies We Use

- **Necessary Cookies:** These cookies are essential for the website to function properly. They are usually set in response to actions you take on the site, such as logging in or filling out forms. You cannot opt out of these cookies.
- **Performance Cookies:** These cookies help us understand how visitors interact with our website by collecting and reporting information anonymously. This data allows us to improve our website's performance.
- **Functionality Cookies:** Functionality cookies enable the website to provide enhanced features and personalization. They may be set by us or third-party providers whose services we have added to our pages.
- **Targeting Cookies:** These cookies may be set through our website by advertising partners. They may be used by those companies to build a profile of your interests and show you relevant advertisements on other sites.

How to Manage Cookies

You can manage or delete cookies according to your preferences. For details on how to do this, please refer to the help documentation of your browser. If you disable cookies, some features of the website may not work correctly.

Changes to This Notice

We may update this Cookie Notice from time to time to reflect changes to the cookies we use or for other operational, legal, or regulatory reasons. Please revisit this page regularly to stay informed about our use of cookies and related technologies.
