## Take control

Powered by CMND

Show more with a budget-friendly standalone professional TV. The intuitive CMND solution makes it simple to deploy and manage connected displays. Benefit from simple, fast installation and an on-screen welcome page that's easy to program.

### Simple set up. **ADVANCED** performance

- CMND and Control: effortless maintenance of your TVs
- MyChoice compatible. Built-in pay-to-view solution
- Instant initial USB cloning. Rapidly configure Pro TVs
- Be seen. Brand the TV's UI with your logo
- Mixed channel map to combine analogue and digital channels

### Cost-effective solution

- Translucent backcover to uncover hidden materials
- Low power consumption for long battery life
- 3 years warranty, extendable to 5 years
- Multilingual customer support

**PHILIPS**

# Highlights

## **CMND&Control**

CMND and Control allows for remote configuration and installation of your TVs from a central location, without the need to visit any rooms. Update and manage all your displays, with minimal effort, all without having to disturb your guests.

## **Built-in pay-to-view solution**

Offer pay-to-view content in any situation - from a complete pay-to-access-all-channels model to selected premium content. MyChoice is an integrated solution that allows

viewers to access pay-per-view channels via a code or a card.

## **UI branding**

Your Philips Professional TV offers a clear, easy-to-navigate user interface (UI), which you can customize with your own branding. Easily add your logo or custom background to the menu to increase the visibility of your brand.

## **Translucent backcover**

Translucent backcover will uncover hidden materials within the TV set. Ideally suited for

installations within prisons and detention centers.

## **Instant initial USB cloning.**

Provides the ability to easily copy all programming and channel programming settings from one TV into other TV sets in less than a minute. The feature ensures uniformity between TV sets and significantly reduces installation time and costs.

# Specifications
