

Environmental Policy Statement

Avara Foods is committed to conduct business activities in a manner that is environmentally responsible and sustainable. We will;

- Comply with all applicable legal requirements and other requirements relevant to our business.
- Prevent pollution, promote resource efficiency and minimise waste.
- Protect the natural environment from harm arising from our activities, products and services.
- Provide the framework for continuous improvement in environmental performance through open communication, employee engagement and prioritized planning.

All employees are made aware of our commitment to the environment and with relevant ongoing training they will work to consistently achieve the Company's aims. Through management leadership, all personnel will accept their responsibilities for ensuring that the environmental commitments are met.
