I APPLICATION

The following provisions shall apply to all transportation of goods by for-hire highway carriers licensed under the Motor Vehicle Transport Act (Canada, R.S.C., 1970, M -14) or under provincial statutes with the exception of the transportation of:

- a) used household goods,
- b) livestock,
- c) bus parcel express shipments,
- d) the personal luggage of bus passengers,
- e) such other specific commodities as may be specified by provincial law.

II BILL OF LADING

1. A Bill of Lading shall be completed as provided herein for each shipment.
2. On each article covered by the Bill of Lading, there shall be plainly marked thereon by the consignor, the name of the consignee and the destination thereof. This requirement does not apply in cases where the shipment is from one consignor to one consignee and constitutes a truckload shipment.
3. The Bill of Lading shall be signed in full (not initialed), by the consignor and by the carrier as an acceptance of all terms and conditions contained therein.
4. At the option of the carrier a way-bill may be prepared by the carrier and the way-bill shall bear the same number of other positive means of identification as the original Bill of Lading. Under no circumstances shall the way bill replace the original Bill of Lading.

III CONDITIONS OF CARRIAGE

1. **Liability of Carrier**
The carrier of the goods herein described is liable for any loss or damage to goods accepted by him or his agent except as hereinafter provided.
2. **Liability of Originating and Delivering Carriers**
Where a shipment is accepted for carriage by more than one carrier, the carrier issuing the Bill of Lading (hereinafter called the originating carrier) and the carrier who assumes responsibility for delivery to the consignee, (hereinafter called the delivering carrier), in addition to any other liability hereunder, are liable for any loss of or damage to the goods while they are in custody of any other carrier to whom the goods are or have been delivered and from which liability the other carrier is not relieved.
3. **Recovery from Connecting Carrier**
The originating carrier or the delivering carrier, as the case may be, is entitled to recover from any other carrier to whom the goods are or have been delivered the amount of the loss or damage that the originating carrier or delivering carrier, as the case may be, may be required to pay hereunder resulting from loss of or damage to the goods while they were in the custody of such other carrier.
When shipments are interlined between carriers, settlement of concealed damage claims shall be prorated on the basis of revenues received.

4. **Remedy by consignor or Consignee**
Nothing in articles 2 or 3 deprives a consignor or consignee of any rights he may have against any carrier.

5. **Exception from Liability**
The carrier shall not be liable for loss, damage or delay to any of the goods described in the Bill of Lading caused by an Act of God, the Queen's or public enemies, riots, strikes, a defect or inherent vice in the goods, the act or default of the consignor, owner or consignee, authority of law, quarantine or differences in weights of grain, seed, or other commodities caused by natural shrinkage.

6. **Delay**
No carrier is bound to transport the goods by any particular vehicle or in time for any particular market or otherwise than with due dispatch, unless by agreement specifically endorsed on the Bill of Lading and signed by the parties thereto.

7. **Routing by Carrier**
In case of physical necessity where the carrier forwards the goods by a conveyance that is not a licensed for-hire vehicle, the liability of the carrier is the same as though the entire carriage were by licensed for-hire vehicle.

8. **Stoppage in Transit**
Where goods are stopped and held in transit at the request of the party entitled to so request, the goods are held at the risk of that party.

9. **Valuation**
Subject to article 10, the amount of any loss or damage for which the carrier is liable, whether or not the loss or damage results from negligence, shall be computed on the basis of:

- a) the value of the goods at the place and time of shipment including the freight and other charges if paid; or
- b) where a value lower than that referred to in paragraph (a) has been represented in writing by the consignor or has been agreed upon, such lower value shall be the maximum liability.

10. **Maximum Liability**
The amount of any loss or damage computed under paragraph (a) or (b) of article 9 shall not exceed \$2.00 per pound (computed on the total weight of the shipment) unless a higher value is declared on the face of the Bill of Lading by the consignor.

11. **Consignor's Risk**
Where it is agreed that the goods are carried at the risk of the consignor of the goods, such agreement covers only such risks as are necessarily incidental to transportation and the agreement shall not relieve the carrier from liability for any loss or damage or delay which may result from any negligent act or omission of the carrier, his agents or employees and the burden of proving absence

from negligence shall be on the carrier.

12. **Notice of Claim**
 - a) No carrier is liable for loss, damage or delay to any goods carried under the Bill of Lading unless notice thereof setting out particulars of the origin, destination and date of shipment of the goods and the estimated amount claimed in respect of such loss, damage or delay is given in writing to the originating carrier or the delivering carrier within sixty (60) days after the delivery of the goods, or, in the case of failure to make delivery, within nine (9) months from the date of shipment.
 - b) The final statement of the claim must be filed within nine (9) months from the date of shipment together with a copy of the paid freight bill.

13. **Articles of Extraordinary Value**
