Join us this holiday season for our 5th Annual "Beauty for Books" literacy initiative event to support our public schools. Contribute 5 new or "nearly new" K-8th grade appropriate children's books and help us reach our goal of collecting 6,000 books for schools with great kids that could use our help.

Here is how it work:
Bring 5 new or nearly new children's books and pull a prize from our stocking filled with a variety of treatments that include Botox, laser hair removal, photo rejuvenation, vein removal, Latisse or rejuvenating chemical peels!

We hope to see you! Together we can celebrate the spirit of this holiday season by improving access to literature for our Bay Area kids!
