## Teachers:

If you are planning on doing a research project with your students, you may wish to direct them to the following sites for quality images which can be downloaded by your students.

Michael Hamilton <https://www.flickr.com/photos/digitaltrails>

Steve Attwood <https://www.flickr.com/photos/stevex2>

These two experienced photographers have been kind enough to work with us and are happy for you to explore their resources. A number of their photos have been used in the ZEALANDIA Trading Card Game. More about the ZEALANDIA Trading Card Game can be seen at:
