5TH ANNUAL CASCADIA PHOTOGRAPHERS EXHIBITION

AUGUST 29 – SEPTEMBER 21, 2025

**Art Gallery
Washington State Fair, Puyallup, WA**

PURPOSE

Effective this year, the juried exhibition eligibility has expanded to include all residents of the United States. Previously limited to participants from the PNW, this change welcomes entries from across the country, broadening the scope of artistic talent represented.

CONDITIONS OF ENTRY

This exhibition is open to all residents of Oregon, Washington, Northern California, Idaho and Alaska.

Photographers may enter this exhibition **and** the Northwest International Exhibition of Photography, **but they may NOT enter the same images in both exhibitions.** If the same image is entered by one photographer into both competitions, this will result in the disqualification of that image from both competitions.

Images previously accepted for exhibition at the Washington State Fair are not eligible for entry again.

Exhibitors must be at least 16 - years - old with the exception of our youth division, open to those 15 years and younger.

An entry may not be accepted when the sponsoring organization or its agent, in its reasonable discretion, has deemed that entry inappropriate for display.

Based on judges discretion, not all entries will be accepted or displayed in the final exhibition.

Original Image Statement: Prints submitted by exhibitors for the Cascadia Photographers Exhibition must be the work of the photographer who submits those prints. Entries must originate as photographs (image-captures of object via light sensitivity) made by the exhibitor on photographic emulsion, or acquired digitally. All images must be original and may not incorporate elements produced by anyone else. By virtue of submitting an entry, the exhibitor certifies the work as his/her own and permits the sponsors to reproduce all or part of the entered material free of charge for publication and/or display in media related to the Exhibition. Any modification of the original image must be made by the exhibitor.

Exhibitors must own the copyright of all images used in any submitted print. The Exhibition assumes no liability for any misuse of copyright by the exhibitor. Images produced from materials copyrighted by persons other than the maker are unacceptable.

All final work must be on photographic paper or electronic print material.

Submission of an entry signifies acceptance of and compliance with all conditions of entry by an entrant.

The Fair reserves the right to not accept artwork or remove artwork from display at any time, for any reason and at their own discretion.

Flush Mounting Your Prints

For mounting prints please use regular picture mat board, no thicker than 1/8", such as that available at art and craft supply stores. Thick mounting board or foam core board is **NOT** acceptable.

Prints entered in our exhibition require **FLUSH MOUNTING**. Flush mounting means that the mounting board is the exact same size as the photographic print.

Example of CORRECT mounting:

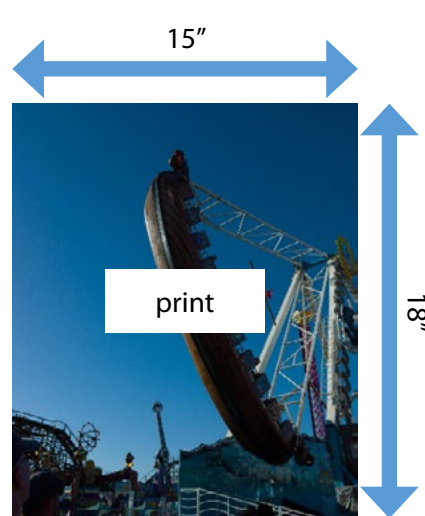

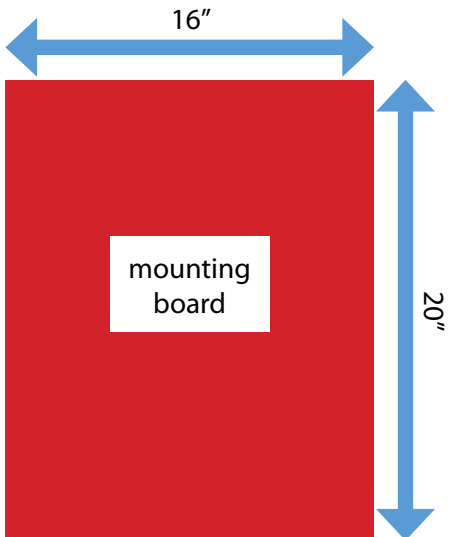

How CORRECT mounting looks:

Regardless of the size of print that is entered, the mounting board and the print must be the same dimensions. So, if the print measures 8" x 11¼" it must be mounted on a board that measures 8" x 11¼".

Mounting must **not** exceed print dimensions and prints must **not** have an overlying mat.

Example of INCORRECT mounting that is NOT ACCEPTABLE:

How INCORRECT mounting looks:

The example above would be disqualified. The mounting board is larger than the print and is not considered a "flush mount."
