**** Please Read ****

SHOW RULES

ALL LIVESTOCK MUST BE VET CHECKED BEFORE ENTERING THE BARN.

Exhibitors must submit vet check-in slip to the show coordinator of their livestock department in order to proceed to livestock barn. NO EXCEPTIONS.

REGISTRATION PAPERS MUST BE CHECKED IN AT THE OFFICE UPON ARRIVAL FOR ASSOCIATION/BREED REGULATIONS.

Exhibitors must be familiar and adhere to the Show Schedule and Show Rules (pg. 5).

If your animals are untamed or unmanageable in any way, please leave them home.

ENTRY FEES

Entry fees must be paid at the time online entry registration is submitted. \$15.00 PER HEAD. NO FEE FOR GROUP CLASSES.

CANCELLATION AND SUBSTITUTION

Entry fees will not be refunded unless Show Coordinator is presented with a veterinary certificate stating health reason for cancellation.

If you are unable to show after you have entered your animal, please notify the Entry Office, 253-841-5074 immediately.

Substitutions within same breed must be cleared through the Show Coordinator. Substitutions must be received Monday, Sept. 1, 2025 in order to appear in the show program.

SHOW REQUIREMENTS

Animals must be shown by a single individual in all classes, except group classes.

Bulls one year and older must be shown with a nose ring and two lead ropes.

All animals entering the judging ring must have their entry numbers prominently displayed on the person showing the animal.

An exhibitor is defined as: Any person or partnership in whose name the livestock are registered. This shall include individual members of a family.

GROUP CLASSES

If you wish to compete in any group classes, you must enter those classes when registering your entry online. No entry fee for group classes.

Group classes MUST have shown in individual classes and owned by one exhibitor.

In group classes, an exhibitor is defined as: All members of a family or partnership where the cattle are housed on the same farm.

NURSE COWS

Any cow nursing a calf which is not her own is considered a nurse cow, and **not permitted**.

REGISTRATION / OWNERSHIP

All livestock exhibited must be accompanied by the animal's original registration papers at check in (no copies will be accepted) to be eligible for added breed premiums. Livestock must have a readable tattoo. Tattoos will be checked at random.

All entrants must have current and valid registration in the breed association sponsoring the show in which they are to participate.

Fair officials shall check all certificates for ownership, age, correct entry in class and identification of the animal when animals arrive at The Fair. Animals with incorrect or illegible tattoos will be barred from showing. Tattooing will not be allowed on Fair property. All exhibits must be exhibited under ownership of the person(s), partnership or company whose name appears on the registration papers. Signed transfer applications will not be accepted as evidence of ownership.

ARRIVAL, HOUSING, DEPARTURE AND RELEASE OF LIVESTOCK

All livestock must be checked by the contracted veterinarian prior to admittance in the barn. All eligible animals must have been vaccinated against Brucellosis. It is strongly recommended all livestock be vaccinated in the current show year against respiratory diseases. Veterinarian admission slip must be provided to Superintendent upon request. Health Certificates must be provided upon arrival for all out-of-state livestock.

Animals may not be walked on or off the grounds because of serious environmental concerns directly related to animal waste. Any animal that cannot be transported in a solid bottom carrier must be removed in a truck, trailer or similar vessel.

ANIMALS MUST BE IN THEIR PLACE AND HAVE THEIR AREA IN SHOW CONDITION BY 9AM EACH FAIR DAY. Failure to do so could result in forfeiture of premium money and, potentially, the privilege to show at future Washington State Fair livestock shows. It shall also be understood that if at any time during the Fair an exhibitor's animal seriously detracts from the overall esthetic value of The Fair, show officials may dismiss such exhibitors.

Animal exhibits are not allowed out of the general vicinity of the barns, show rings and designated areas. Exceptions are made with the Superintendent's approval ONLY.

All persons exhibiting animals are expected to display them in a professional manner. Every animal exhibited must constantly be kept in the best possible condition. Stalling areas must be kept clean and walkways clear. The Fair will furnish sufficient help to remove all waste from barns to prevent accumulation.

All animals must remain on site until their designated release time as set by the Fair and Show Manager. Failure to do so could result in forfeiture of premium money and, potentially, the privilege to show at future Washington State Fair livestock shows. All exhibitors should make every effort to vacate their stalls as soon as possible after being released, during the designated time, to facilitate barn cleaning prior to the arrival of other animals.

Attractive and informative signs concerning ownership and breeding are encouraged. The superintendent of the Beef Barn should be consulted to determine the most desirable location for them. No "FOR SALE" sign, or signs advertising any brand of feed or other commodity will be permitted in the barns.

Grooming chutes are allowed in designated areas. See the show coordinator for this specified area.

HAY AND BEDDING

All hay and bedding for livestock will be furnished by the Fair, free of charge.

All feed must be kept in the stall area.

Shavings will be used for all bedding in the barn.

The hay storage shed **will not** be open to exhibitors. Please order hay in writing from your Show Coordinator before 6pm for the following morning's requirements. Hay bales should not be used for purposes other than feed.

Exhibitors are forbidden to procure hay bales from the hay barn or other buildings on the fairgrounds at The Washington State Fair to feed their livestock when departing. Failure to comply may result in forfeiture of premium money and, potentially, the privilege to show at future Washington State Fair livestock shows.

BARNs AND STABLING

No butt fans will be allowed.

THERE WILL BE NO NIGHT TIE-OUTS.

All cattle must be double tied while in stalls (halter plus neck rope).

Only two head from a string may be tied to the wash rack at one time.

No dogs are permitted in the barn.

No tents in the barn.

EXHIBITOR DINING AREA

EATING IN THE BARN VS. E. COLI O157:H7 – EXHIBITOR COOPERATION NEEDED

Our barns have signage reminding Fair guests to “Wash your hands upon leaving any livestock area”, as well as “Please refrain from eating in livestock areas.” ***The State Health Department has asked the Fair to request that our livestock exhibitors set an example for Fair guests and refrain from eating in most publically accessible areas in the barns.***

ELECTRICAL APPLIANCES

All extension cords used in the barn must be 14 gauge or heavier. Please check with your superintendent. A costly power failure can result from overloading circuits.

COOKING IS NOT ALLOWED IN THE BARN.

Electrical appliances which are used for the personal convenience of exhibitors (kettles, coffee pots, space heaters, air conditioners, hot plates, etc.) are not allowed

VETERINARY RULES

To see the general Livestock Health Requirements click on the Veterinarian information link in front of this book. PLEASE READ CAREFULLY. Out-of-state exhibitors should note there is a section applying specifically to out-of-state cattle exhibitors.

NOTE TO CANADIAN EXHIBITORS

For show purposes, Canadian cattle, beef or dairy must comply with Washington's import requirements. Non-vaccinated Canadian cattle may enter The Fair. The Brucellosis and Tuberculosis tests are no longer required on Canadian cattle. Exhibitors should check with Agriculture Canada to determine most current requirements affecting their return to Canada from The Fair. A valid health certificate and entry permit must accompany shipments of all classes of cattle into the state of Washington. An entry permit may be used on all Canadian shipments coming to the 2024 Washington State Fair. This number is to appear on the health certificate accompanying the cattle. There is a 30-day limit on Canadian cattle using this entry permit. To obtain a permit the exhibitor must call the Department of Agriculture at 360-902-1878 Mon-Fri, 8am - 5pm and weekends/after hours/holidays at 1-800-942-1035.

PASSES

Registered exhibitors will be given two passes per day. Passes can be picked up from the show coordinator at check in at the Fair for use by the exhibitor or their herdsman.

PREMIUM INFORMATION

FOR CATTLE & ALPACA

Each exhibitor is limited to two (2) premiums per class. Premiums are awarded to exhibitor/owner name registered online, not handler.

A Social Security Number will no longer be required on the entry form. **If an exhibitor is likely to earn over \$600 in premiums, a W-9 form must be filled out by that exhibitor and turned into the beef office at the time of check-in.** A W-9 will be mailed to those exhibitors who earn over \$600 and don't have a W-9 on file in the entry office. **Premiums will be withheld until a completed W-9 form is received in the Entry Office (this is a requirement from the IRS.)**

Canadian exhibitors are required to complete form 8233 before premiums can be paid.

CHAMPIONSHIPS

The competition for reserve championship in both sexes shall include the animal winning second place in individual class which furnishes the grand champion, in addition to the first place winners in all other classes. The Grand Champion Female and Male in each breed will receive a prize of \$49 (Prize Schedule #2). No Reserve premium.

PREMIER AWARDS

In computing the award for Premier Breeder, credit will be given in all regular single classes. This award will be given to the breeder winning the most points on his best six head; including animals bred by him and exhibited by others. In case of a tie, the exhibitor with the most champions will be the winner, unless otherwise stated by breed.

The award for Premier Exhibitor will be computed in the same manner as Premier Breeder on the top six animals owned by the exhibitor. The calculations will be made on listed premiums. In case of a tie, the exhibitor with the most champions will be the winner, unless otherwise stated by breed.

FOR ALL MINIATURE LIVESTOCK PARTICIPATION

Premiums will be given to those exhibitors who are the best in the following categories:

- Overall High Point for Obstacle Course
- Educational Display/Mini Talk
- Herdsmanship

These categories will be judged daily by a point system. Points will be tallied after the last competition to determine the winners. Premiums will be paid from Prize Schedule #3

- Costume Contest

The costume contest will take place daily in the Tractor Supply Arena. This competition will be judged by the audience. A roaming trophy and a rosette will be awarded to the mini critter who won that day's contest and the trophy will be passed on to the winner of the next day.

OBSTACLE COURSE COMPETITION

DIVISION 619

JUDGING

Daily

September 10 - 15, 2025

FEE

\$6.00 per head

An obstacle course will be set in the Tractor Supply Arena. All paid miniature species entrants may participate in the daily competitions. **Entry fee guarantees participation once daily, per head, for all five days.** It is the exhibitor's decision on how many days they wish to participate (one day, up to five days) and how many of their animals will compete.

SIGN UP DAILY AT THE SHOW MANAGER'S TABLE PRIOR TO THE START OF COMPETITION.

Online, preregistration is not required but encouraged.

Judging is based on a blue, red and white scale and awarded 0 - 10 points per obstacle for partnership with the animal, patience, finesse, course completion and time

The daily points will be combined after Monday's competition to determine Overall High Point and Overall Reserve High Point winners.
