### **Narcotic/Controlled Substance Medication Refill Information**

Narcotic/controlled substance scripts will only be filled during the hours of: **Monday-Friday 9am-3pm**. They will not be filled on the weekends or after hours.

If you need a refill of any narcotic/controlled substance medications, it is highly recommended that you request these **at least 24 hours in advance** to ensure that we can fill the script for you. There is absolutely **no guarantee** that you will be able to get your medications refilled on short notice.

Narcotic/controlled substance medications will be filled at your doctors' discretion. It is encouraged that you begin to transition to over-the-counter pain medications, instead of narcotic pain medications, as soon as you are able.
