Abadia is an ethical luxury brand that stands at the forefront of reimagining fashion for the contemporary woman.

With its signature aesthetic of combining feminine ease with masculine structure, each piece is created to be a timeless addition to the Abadia woman's wardrobe.

The brand is known for its commitment to preserving the craftsmanship of the Arabian Peninsula, and that is evident through its strong and continuous partnerships with the artisan community

Abadia is conceived for the global multidimensional woman whose fashion choices echo her personal values and lifestyle. She is one who seeks out unique pieces, who cares about the impact of her decisions on people and the environment, and who takes pride in her personal and cultural stories.
