Investing in Oxford's future

- At ODS, **“doing good” is central to our mission**, not just a slogan
- We are one of **Oxfordshire's largest employers**, with **over 90% of staff living locally**
- **100% of our profits** are reinvested into **Oxford City Council** to support and enhance public services.

Industry certifications

We hold key industry qualifications that reflect our commitment to quality and safety.

Fire Door Installation
Fire Door Maintenance
Fire Stopping Installation

Over 2,000 businesses in Oxfordshire and beyond already trust us to do a good job. Here's why:

We're value for money - we offer a transparent pricing policy with no unexpected upfront costs, monthly fees, and absolutely no hidden charges.

We're local - and our employees are too. This means we can respond quickly and create a lower negative impact on the environment.

We're quality - accredited with ISO 9001, 14001, and 45001, we guarantee our work is completed with minimal disruption and adheres to all health and safety standards.

We love our community - we strengthen the local economy by employing locally and choosing local suppliers. 100% of our profits go to Oxford City Council, which reinvests them back into public services.
