

CELEBRATING the
elegance of FRESH flavours,
beautiful *produce* and
ELEVATED technique.

A MENU that combines *artistry* and PASSION.

Our culinary philosophy is a combination of artistry and passion. Our food takes our couples and their guests on a gastronomic journey celebrating the Darling Downs region – the produce, the warm hospitality and the abundance of fresh produce and rich flavours.

MENU & FOOD PHILOSOPHY

Gabbinbar predominately sources ingredients from regional producers, highlighting the fertile soils, rich farming land and specialty growers that define the Darling Downs. Our chef team, led by Head Chef Jennifer Blashak, combines this sustainable food philosophy with attention to detail and exquisite meticulousness to ensure that every plate is an unforgettable experience.

Accompanying our menu is a selection of fine wines we source from the most renowned wine regions throughout Australia, New Zealand and France, ensuring each glass perfectly complements your experience. Our chef team looks forward to creating an impressive and memorable menu for you and your guests.
