

TC-1 Ex / TM-1

Throat microphone headset with ear loop speaker

Connect with Savox C-C440 and C-C550

The Savox TC-1 and TM-1 throat microphone headsets are designed for comfortable communication in high-noise or extreme conditions, allowing for clear communication even in whispered speech. Fabric throat band with velcro.

Product numbers: L50580 (non ATEX) and K50257 (ATEX)

WEIGHT

Weight	86g
--------	-----

CABLE

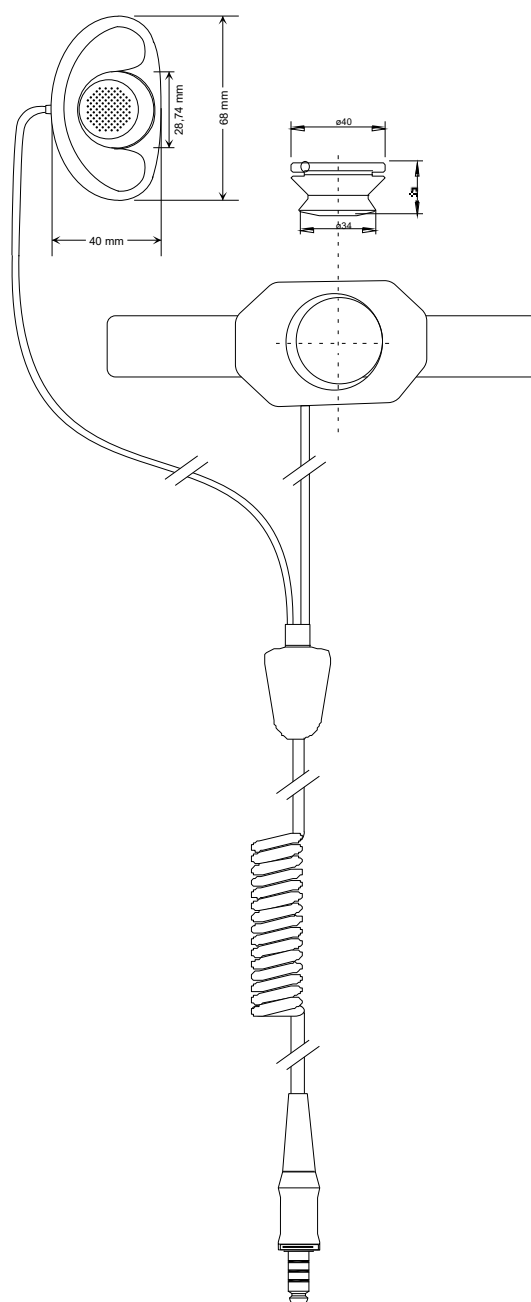

Lenght	300 mm
Diameter	4 mm
Material	PUR, flame retardant, black
Connector	Quick-release 4-pole male connector (QR4)
Tension strenght	max. 35N

MICROPHONE

Type	Bone conduction, vibration sensitive
Impedance	6500 ohm @1 Khz
Cable	PUR, flame retardant, black ø3 mm

SPEAKER

Impedance	800 ohm @ 1kHz (±15%)
Audio output	55dB(A) @ 1kHz, 780mVpp
Cable lenght	225mm

COMPLIANCE STANDARDS

Environmental and testing	
Operation temperature	-25°C...+63°C
Storage temperature	-25°C...+63°C
Flammability rating	All materials according to UL94-V0
Regulatory information	
EMC	2014/30EU
