ACETONE

Acetone holds significant value as an industrial solvent due to its water miscibility and rapid evaporation properties. Its versatility makes it ideal for cleaning up adhesives, plastics, lacquers, epoxies, vinyl, and contact cement. Additionally, it serves as an efficient fiberglass cleaner, ensuring optimal adhesion of resins. Moreover, acetone proves to be an effective solvent for polyester resins commonly utilized in auto body repair applications.

PRODUCT	SIZE
RX590231	946 ml (U.S. Quart)
RX590231-1	3.78 L (U.S. Gallon)
RX590231-5	18.9 L (5 U.S. Gallons)
RX590231-55	205 L (55 U.S. Gallons)

Please ensure that you read all instructions and safety procedures thoroughly before using this product.
IMPORTANT: This product contains hazardous materials.
Appropriate protective equipment must be worn at all times. Refer to the labels on each product and consult the safety data sheet for comprehensive guidance on safe handling procedures and personal protection information.
NOTE: Before use, test the product on a hidden area to ensure it meets your satisfaction.

NOTE: Acetone is an active solvent and has the potential to cause damage to certain materials. It is important to conduct a test on the hidden surface beforehand to assess any potential harm before use.

TECHNICAL DATA:

	RX590231,RX590231-1,RX590231-5,RX590231-55
Physical State:	Liquid
Color:	Clear, colourless
Odour:	Pungent odour, fruity odour
Solubility:	In Water: Complete
Flash point:	-18°C (0°F) Closed Cup
Auto ignition temperature:	465°C (869°F)
VOC:	Exempt

PRECAUTIONARY INFORMATION

Refer to the product label and Safety Data Sheet for health and safety information before using this product.

PRODUCT USE

The user bears sole responsibility for assessing the suitability and performance of the Rexall Solution Acetone product, considering the multitude of factors that may influence its use. It is the user's responsibility to determine whether the product is appropriate for their specific purpose and compatible with their chosen method of application.

WARRANTY, LIMITED REMEDY, DISCLAIMER AND LIMITATION OF LIABILITY

Rexall Solution (“Rexall Solution Acetone”) provides no express or implied warranty and explicitly disclaims any implied warranties or conditions of quality, including but not limited to merchantability or fitness for a particular purpose. Regardless of the legal theory applied, Rexall’s liability is limited to the purchase price of the product. Rexall Solution Acetone reserves the right to either replace or repair the product at its discretion. Under no circumstances shall Rexall Solution Acetone be liable for any damages of any kind or loss. The technical information, recommendations, and other statements in this document are based on tests or experiences that Rexall Solution believes to be reliable, but the accuracy or completeness of such information is not guaranteed.
