About Bobbie's

In partnership with Linden Pride & Nathalie Hudson of the renowned Dante NYC, Bobbie's is a tribute to Australian hall-of-fame disc jockey, Bob Rogers and a life lived during the golden age of Rock n Roll. A time of big ideas, three-martini lunches and larger-than-life personalities.

With a focus on Australian produce, ice cold martinis and a deep sense of hospitality, Bobbie's is a place for live music, coming together and celebrating life. As Bobbie would always remark, our home is an open door, founded on the pillars of inclusivity and family, and always a lot of fun.

Here, it's all about mid-century furnishings, plush velvet, live music, finger food, cocktails made by a world-class connoisseur whilst surrounded by the casual sophistication of a Neil Perry institution.
