## About Gran Torino

Gran Torino by Neil Perry offers a memorable take on Italian dining, blending tradition with a modern touch. With a focus on fresh, locally sourced ingredients, every dish celebrates the simplicity and depth of true Italian cooking. It's a place where quality, flavour, and hospitality come together - reflecting Neil's passion for warm, genuine service and thoughtful craftsmanship.

Located in the heart of Double Bay, Gran Torino spans two levels inside the iconic Gaden House - a beautifully preserved 1960s building designed by renowned architect Neville Gruzman. The space is refined yet relaxed, combining heritage charm with a contemporary feel that makes you feel right at home.
