About Margaret

Margaret is named after Neil Perry's late mother, who was the matriarch of the family, the nurturer and carer, and the one who held everyone together.

Situated in Sydney's Double Bay, Margaret is where the best ingredients, the best wines, and the best craft come together to create a unique and lovely experience for our guests. At its heart, Margaret is a neighbourhood restaurant where people come together to experience the best produce in Australia.

Chef Neil Perry AM

Neil Perry AM is a veteran of the Australian restaurant industry and is one of Australia's leading and most influential chefs.

Neil's career in the hospitality industry spans four decades. He is founder of the Rockpool Group and creator of brands Rockpool, Rockpool Bar & Grill, Spice Temple, Rosetta, and Margaret.

The restaurant Margaret is truly a family affair for Neil, with his wife Samantha, daughters Josephine, Macy and Indy deeply involved in its operations.
