

Buy a Piece of the Walk Route!

\$100

\$500

Honor your loved one with a memorial sign, or show your community that your business cares about mental health and suicide prevention.

These signs will be displayed along the walk route for everyone to see as they walk by. You may keep the sign after the walk, if you choose.

To purchase a sign for your local Out of the Darkness Walk, complete the submission form by scanning the QR code or clicking one of the links below, then make a donation to the walk page.

Bonus: this donation can go towards your individual or team fundraising!
