

## BUSINESS CONTROLLER

**Global Evolution is a specialist emerging and frontier market debt investment manager with more than 15-years of history and a track record of providing innovative sovereign and corporate EM debt solutions. The company manages assets worth app. US\$14 billion, primarily on behalf of international professional investors. The head office is in Kolding and the company employs currently approximately 50 employees and Global Evolution globally approximately 70 employees. Due to a sustained increase in activity and a growing volume of business, the need has arisen for the business to strengthen its team with respect to business controlling.**

You will be joining a small team which handles a wide variety of tasks. Your duties will vary from controlling portfolio value and transactions, improving quality of data assembling, preparing forecasts and reports to the owner and presentations for board meetings, general support for the executive management and much more. Thus, some of your duties will be of a more operational nature, while others will place demands on your professional and personal abilities. You will report to the Head of Finance and interact with both internal and external stakeholders.

You have a couple of years of experience in a comparable role; alternatively, you bring knowledge from a similar role in a different industry. Basic knowledge of financial products and instruments are preferred. Your educational background includes an HD-F, MSc in Finance and Accounting, or a comparable degree. You have strong IT skills, and you have experience with managing data in Excel, VBA and creating presentations in Power Point. Moreover, you are fluent in English.

You are an exceptionally analytical and logical person. You are an ambitious and results-orientated self-starter with a high drive. You can work both individually and as a member of a team. You are professional and set high expectations for yourself. You have a good personal appearance and strong communicative skills. And finally, you are a good colleague.

This is an offer for an exciting job with a variety of tasks that will expand your business knowledge in a strong growing business with far-reaching ambitions. This is an organization with an informal culture in an international environment. There will be great opportunities for personal and professional development for the right candidate. Salary and terms of employment will be negotiated on an individual basis, based on qualifications.
