

# EU Declaration of Conformity (DoC)

|                          |                                        |
|--------------------------|----------------------------------------|
| <b>Company name</b>      | Huayu Automotive System Co. Ltd        |
| <b>Postal address</b>    | 303 East Guoding Road, Shanghai, China |
| <b>Postcode and City</b> | Shanghai                               |
| <b>Telephone number</b>  | 18621914932                            |
| <b>E-mail address</b>    | shilingx@hasco-group.com               |

**We declare that the DoC is issued under our sole responsibility and belongs to the following product:**

|                               |                                 |                   |            |
|-------------------------------|---------------------------------|-------------------|------------|
| <b>Equipment manufacturer</b> | Huayu Automotive System Co. Ltd |                   |            |
| <b>Type</b>                   | NFR23                           |                   |            |
| <b>Product description</b>    | Radar (76 GHz-79 GHz)           |                   |            |
| <b>HW version</b>             | HWCR.00.01                      | <b>SW version</b> | SWCR.02.07 |

**The object of the declaration described above is in conformity with the relevant Union Harmonisation Legislation:**

|                                  |  |
|----------------------------------|--|
| RE Directive 2014/53/EU          |  |
| [examples: Directive 2011/65/EU] |  |
|                                  |  |

**The Notified Body Name: LGAI Technological Center S.A./Applus (Nr. 0370), has conducted the conformity assessment according to module B of Directive 2014/53/EU (RED) and issues the EU type certificate [0370-RED-11310].**

The following standards and technical specifications have been applied for RE Directive 2014/53/EU:

|                                           |                                                                                                            |
|-------------------------------------------|------------------------------------------------------------------------------------------------------------|
| Article 3.1a: Safety and Health           | EN IEC 62368-1:2024 + A11:2024<br>EN IEC 62311:2020, EN 50665:2017                                         |
| Article 3.1b: EMC                         | ETSI EN 301 489-1 V2.2.3 (2019-11)<br>ETSI EN 301 489-51 V2.1.1 (2019-04)<br>EN 50498:2010                 |
| Article 3.2: RF Spectrum Efficiency       | ETSI EN 301 091-1 V2.1.1 (2017-01)<br>ETSI EN 302 264 V2.1.1 (2017-05)<br>ETSI EN 303 396 V1.1.1 (2016-12) |
| Article 3.3: Special requirements invoked | Not applicable                                                                                             |

The following standards and technical specifications have been applied for the other European Legislation:

|                                 |  |
|---------------------------------|--|
| [Others Regulations (if apply)] |  |
|                                 |  |
|                                 |  |
