Drive with ease and focus

Each acceleration delivers responsive feedback.

Each step forward feels effortless.

Enjoy every drive with calm control.

*Disclaimer: The Energy Consumption and Range figures are determined by testing under static laboratory conditions in accordance with Australian Design Rule (ADR) 81/02. Real world Energy Consumption and Range figures will vary depending on many factors, such as individual driving style, vehicle load & condition, high voltage battery age & condition and road, traffic and weather conditions. ADR 81/02 test results are meant for the purposes of comparison amongst vehicles tested under the same procedures only.

Relaxed and Comfortable Ride

The driver seat feature six-way electric adjustments and memory, offering you an exceptionally comfortable experience.

AWD model shown

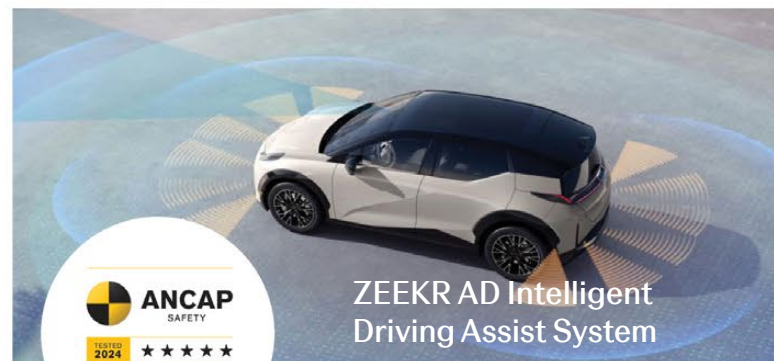

Precision in View

24.3" AR-HUD with 12,000 nit brightness delivers clear, dynamic guidance in all conditions (AWD only).

Enjoy a Midday Break

After a busy morning, let the calm and comfort of the Zeekr X cabin recharge you for the journey ahead.

Smart sensors enhance urban safety and control — supported by a 5-Star ANCAP safety rating for peace of mind.

Freely Navigate the Urban Maze

Agile control and intelligent assistance help you breeze through narrow city lanes, removing boundaries from your journey.

Interactive “Ice Block” Ambient Lighting Display[^]

The light strip along the dash syncs with music or mood, creating a personalized interior atmosphere.

[^]Comfort package & AWD model only

Panoramic glass roof

Wide, bright, and transparent. Over 95% of harmful UV rays are blocked, enhancing comfort.

Smart Wireless Charging

50W fast wireless charging, conveniently placed for easy access and constant power on the go.

Time to Hit the Road

The perfect companion for every escape
— No strict plans, just pack up and go.

Up to 540 km all electric range (RWD)*

Go further with confidence and explore more of what's out there

Tailored Driving, Your Way

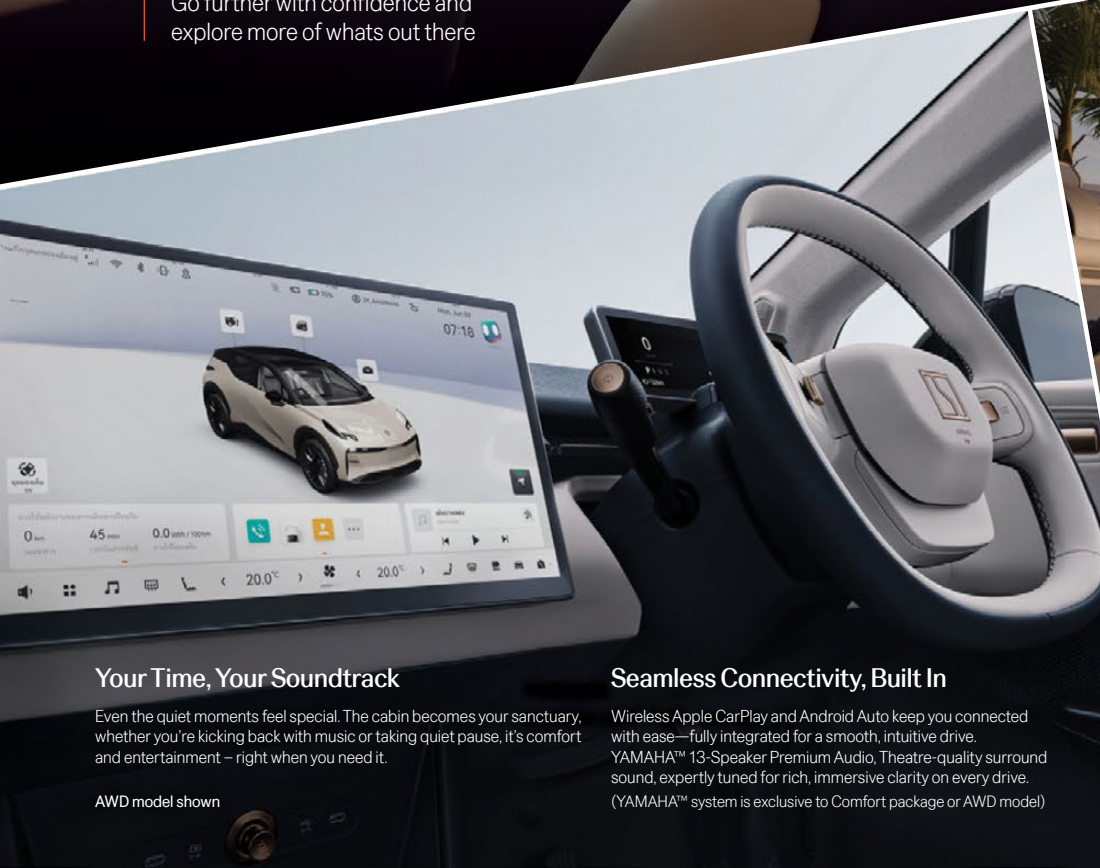

Custom drive modes let you fine-tune acceleration, steering, and regen for city life—plus extras like snow and stop-and-go modes.

360° Panoramic Vision

Wide-angle cameras provide full visibility around the car, helping you navigate tight spots with greater confidence and safety.

Comfort That Moves With You

Crafted with European refinement, the Zeekr X blends elegance and function. Rear-seat convenience meets front-seat tech, all framed in luxurious rose gold highlights.

Your Time, Your Soundtrack

Even the quiet moments feel special. The cabin becomes your sanctuary, whether you're kicking back with music or taking quiet pause, it's comfort and entertainment – right when you need it.

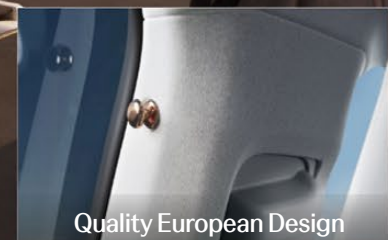

AWD model shown
