## How to make a claim under this Warranty

13. To make a claim under this Warranty, you must:

13.1. Notify an authorised Zeekr Dealer within 7 calendar days or as soon as practicable after the defect or malfunction appears (including to minimise the effect a defect has on the Vehicle and the nature of the repair needed). A list of all Zeekr Dealers can be found at Locate a Dealer.

13.2. Deliver the Vehicle to the authorised Zeekr Dealer.

13.3. Refer to this Warranty when delivering your Vehicle to the authorised Dealer and provide the Vehicle maintenance and repair log in the Service & Warranty Booklet.

14. Once a claim has been submitted, Zeekr will endeavour to assess your claim as soon as reasonably practicable.

15. You will bear the expense of submitting a Warranty claim.

16. Zeekr will bear the expense of labour, freight and administrative costs if Zeekr assesses that a valid claim has been made under this Warranty.

17. You will bear the expense of service charges should you authorise any exploratory dismantling and an authorised Zeekr repairer subsequently establishes that a fault is not the result of a manufacturing defect and is outside the scope of this Warranty.

## Remedies

18. If Zeekr determines that a Vehicle or component has a manufacturing defect within the terms of this Warranty, Zeekr will, at its own election, either replace the Vehicle or component with the same or comparable Vehicle or component, or repair it. The replacement of a Vehicle or component under this Warranty does not alter or renew the length of the Warranty in relation to that replacement Vehicle or component. Instead, the existing Warranty will apply to any such replacement Vehicle or component.
