smartMonday Adviser Portal

Log in guide

About this guide

These instructions cover the regular smartMonday Adviser Portal log in process that should be used after you have registered for the Adviser Portal.

Instructions on how to register are available on the Adviser Portal log in page on our website.

Let's get you logged in

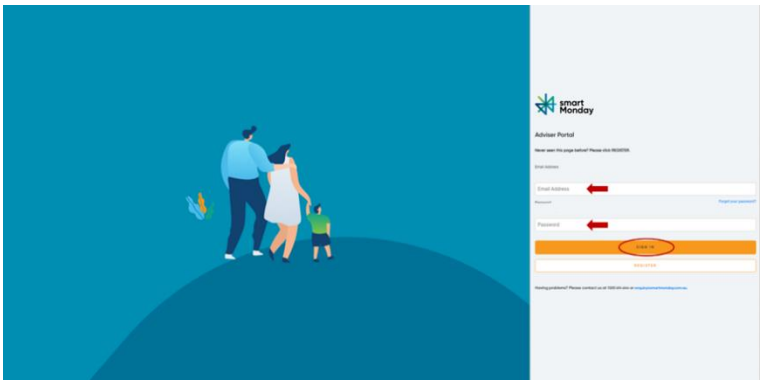

Step 1

Visit https://adviser.smartmonday.com.au/.

Step 2

Enter your Email Address and Password. Then select ‘SIGN IN’.

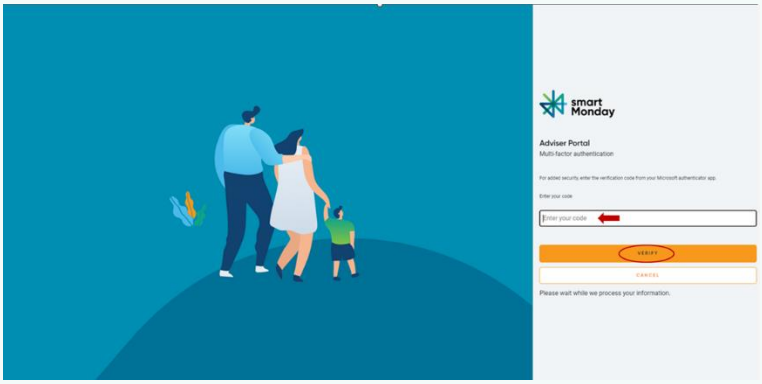

There is also a ‘Forgot your password?’ link that you can use to reset your password.

Step 3

Open your Authenticator App. The portal screen will now show a Multi-Factor Authentication Screen, enter the current code from the Authenticator App and select the orange ‘VERIFY’ button.

You should now be redirected to your Adviser Portal dashboard.

For more information about how to use the smartMonday Adviser Portal please refer to the user guides available on our website.

Got questions?
